**A DECLARATION OF A STATE OF EMERGENCY ARISING**  
**BECAUSE OF COVID-19; AN ORDINANCE TAKING**  
**IMMEDIATE EMERGENCY MEASURES**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF NASHVILLE.

**WHEREAS**, the President of the United States declared a National Public Health Emergency on March 13, 2020; and

**WHEREAS**, the Governor of the State of Georgia declared a State Public Health Emergency on March 14, 2020 and urged “local officials to do what’s in the best interests of their communities to keep people safe and stop the spread of coronavirus” on March 19, 2020; and

**WHEREAS**, the World Health Organization has declared Coronavirus Disease 2019 (COVID-19) a world health emergency and a pandemic; and

**WHEREAS**, the number of confirmed cases and deaths from COVID-19 is escalating rapidly, internationally, nationally, and locally; and

**WHEREAS**, based upon the experience of other local governments in Georgia, a growing number of other cases are likely to occur; and

**WHEREAS**, on March 16, 2020, the Center for Disease Control (CDC) and the President of the United States stated that any gathering of over 10 people should be discontinued or prohibited; and

**WHEREAS**, on March 23, 2020, Governor Kemp announced that “certain individuals with an increased risk of complications from COVID-19 to isolate, quarantine, or shelter in place,” covering those who “live in long-term care facilities, have chronic lung disease, are undergoing cancer treatment, have a positive COVID-19 test, are suspected to have COVID-19 because of their symptoms or exposure, or have been exposed to someone who has COVID-19”, and that the Department of Public Health would institute rules and regulations to implement such measures;

**WHEREAS**, on March 23, 2020, Governor Kemp additionally announced measures to “close all bars and nightclubs and ...ban all gatherings of ten or more people” unless they can assure spacing for at least six (6) feet apart between people at all times beginning at noon on March 24, 2020 and lasting until noon on April 6, 2020; and

**WHEREAS**, public health experts, including those at the CDC and the National Institutes of Health (NIH), have advised that individuals infected with COVID-19 are contagious even while experiencing minor or no symptoms and implored leaders to take immediate action to prevent further community spread of COVID-19; and

**WHEREAS**, preventing and slowing community spread of COVID-19 provides health systems additional time to obtain personal protective equipment necessary to protect health care workers and medical equipment necessary to treat COVID-19, and is therefore vital to the health of the nation;

**WHEREAS**, in the judgment of the Mayor and Council, there exist emergency circumstances located within its jurisdiction requiring extraordinary and immediate response for the protection of the health, safety, and welfare of the citizens of the community, the state, and the nation; and

**WHEREAS**, O.C.G.A. § 38-3-28 provides the political subdivisions of this state with the authority to make, amend, and rescind such orders, rules, and regulations as may be necessary for emergency management purposes to supplement rules and regulations promulgated by the Governor during a State of Emergency; and

**WHEREAS**, the United States Supreme Court has previously held that “[u]pon the principle of self-defense, of paramount necessity, a community has the right to protect itself against an epidemic of disease which threatens the safety of its members”; and

**WHEREAS**, the Charter of the City of Nashville provides the governing authority of the city with the authority to take actions deemed necessary to deal with such an emergency for the protection of the safety, health, and well-being of the citizens of the city; and

**NOW, THEREFORE, IT IS HEREBY DECLARED** that a local state of emergency exists within the City and shall continue until the conditions requiring this declaration are abated.
