

**WORK SESSION**  
**CITY COUNCIL OF THE CITY OF NASHVILLE**  
**COUNTY OF BERRIEN**  
**APRIL 9, 2018**  
**5:30 P.M.**

**ROLL CALL:** Members of the City Council present included Mayor Michael Richbourg, Scott Stalnaker, Billy Retterbush, Antonio Carter, Walt Steward and Eric Gaither.

**STAFF PRESENT:** Mandy Luke, Jackie Jordan, Peter Schultz, Henry Yawn, Chief Edwards and Mitchell Moore.

**OTHERS PRESENT:** None

**Cargo Containers for Storage:** Henry Yawn explained cargo/shipping containers can only be used a few times and then have to be discarded so they are being used for storage and other things and there is nothing in the Code ordinances regarding this issue. He provided the Mayor and Council with some research and pictures of some of the uses that appear to be becoming popular as a result and explained the need to bring to the Mayor and Council for discussion after receiving inquiries on this subject. He said he checked with surrounding areas and Tift County is the only one that has something in their ordinance addressing this issue. After further discussion of possible uses and possible safety issues such as what may have been shipped in the containers or the structural integrity of the containers depending on how they may be used, the decision was made for City Attorney Moore to begin preparing an ordinance regarding the issue.

**ADJOURNMENT**

There being no further business to discuss Mayor Richbourg asked that the meeting be adjourned at 5:55 p.m.
