ROLL CALL: Mayor Michael Richbourg, Scott Stalnaker, Billy Retterbush, Antonio Carter

STAFF PRESENT: Henry Yawn, Mandy Luke, Jackie Jordan, Chief Edwards, Peter Schultz

OTHERS PRESENT: Laverne Hall

The public hearing was called to order and Henry Yawn explained the purpose of the hearing is regarding the Berrien County Industrial Authority Request of Annexation of the Berrien County Business Park located off of State Route 168/Homerville Highway which is 132 acres. The Greater Berrien Planning Commission held a public hearing on April 19, 2018 and they voted to recommend approval for the annexation of the property into the City of Nashville with the zoning of Heavy Industrial (HI). He stated it was appropriately posted and letters had been mailed to adjoining landowners. Laverne Hall asked if his land would be included. They explained it did not automatically include any adjoining landowners and if any adjoining landowners wanted to be annexed into the City, they would also need to go through the application and request process.
