“AN ORDINANCE ENACTING DIVISION 13, *COMMERCIAL RACING*, ARTICLE II *BUSINESS REGULATIONS*, CHAPTER 15, *LICENSES AND BUSINESS REGULATIONS* OF THE CODE OF ORDINANCES OF THE CITY OF NASHVILLE, GEORGIA

BE IT ORDAINED by the City Council of the City of Nashville, Georgia, and it is hereby ordained by authority of same, as follows:

Division 13 *Commercial Racing*, Article II *Business Regulations*, Chapter 15, *Licenses and Business Regulations* of the Code of Ordinances of the City of Nashville, Georgia, is hereby enacted and shall read as follows:

Section 15-401. Findings.

The City Council of the City of Nashville finds that commercial racing venues provide an important economic benefit for the greater Nashville area by attracting racing enthusiasts into our community who, in turn, procure needed goods, lodging, etc. from local businesses. In addition, commercial racing also provides recreational activities for the local populace. The City Council also find that although there are numerous economical and recreational benefits of such businesses, the unfortunate byproduct of such enterprises is noise. The purpose of this ordinance is to allow commercial motorized racing with the City of Nashville while minimizing negative impacts of same.

Section 15-402. Applicability.

This section shall apply to any commercial racetrack which provides for the racing of motor propelled vehicles of any kind including but not limited to trucks, cars, tractors, motorcycles, ATVs, Go-Karts, mopeds, etc. The regulations set forth in this Division apply irrespective of whether the drivers or racing teams are compensated or awarded prizes or whether members of the public must purchase a ticket or pay some other entry fee to observe. The requirements and restrictions of this ordinance shall apply to the owner or operator of any such racetrack and also the drivers of motor propelled vehicles operated at such racetracks.

Section 15-403. Hours of Operation.

No commercial racetrack shall conduct any race except during the following hours:

Monday – Thursday:	8:00 A.M. – 8:00 P.M.
Friday – Saturday:	8:00 A.M. – 12:00 Midnight.

No racing shall occur on Sundays.

Section 15-404. Operation of Vehicles Outside of Hours of Operation.

The owner or operator of the commercial racetrack shall not allow any drivers remaining on the premises after the hours of operation to continue racing in violation of this Ordinance.

Section 15-405. Noise Limitation for Other Activities.

It shall be a violation of this ordinance for owner or operator of the commercial racetrack to conduct any other operation at a commercial racetrack outside the hours of operation provided for in *Section 15-403* where such activity generates noise that is plainly audible at a distance of 1000 feet outside the property boundary property of the commercial racetrack.

Section 15-406. Special Events Excepted.

It shall not be a violation of this ordinance if the owner or operator of a commercial racetrack applies for and is granted a Special Event permit by the office of City Manager. The permit shall allow the owner or operator to extend racing activities on Friday and Saturday by one additional hour. For example, if a special permit is granted, racing activities can extend to 1:00 a.m on Saturday and Sunday morning. No more than four (4) Special Event permits can be granted to the same commercial racetrack in any calendar year. Any individual or entity seeking a Special Event permit shall apply for same, at minimum, two weeks prior to the date sought.

Section 15-407. Enforcement.

Any person or entity violating the provisions of this ordinance shall be subject to citation, prosecuted in the Municipal Court of Nashville, Georgia and if found guilty, shall be subject to a fine in the amount of \$1,000.00 for each offense.”
